

Dear Sir,

**Sub: Introduction letter-Reg.**

\*\*\*

**ABOUT US:**

Sri Trinetra Engineers Private Limited. A turnkey project solution provider MEP services setting our focus on attaining what is best for clients, we make sure that the quality and excellence is maintained. Right from the stage of design, supply and installation, up to testing and maintaining commissioning of complete MEP systems, the services offered include Fire Protection & Security systems. Fire Sprinkler, Fire Hydrants, Fire Alarm & Detection, Public Address Systems, Fire Suppression, CCTV, Water leak detection, Rodent & Repellent Systems, Fire Extinguisher & Signage's, AMC, Audits & Liaisoning support with respective Fire Department, Electrical, Low Current, Plumbing and HVAC systems for Commercial, Residential and Industrial Buildings, IT/ITES And Business Parks, Infrastructure Projects and Government Sectors.

A team of highly qualified and experienced engineers and skilled technicians has ensured successful delivery of our projects in a highly competitive market. With the growing necessity to deliver high quality yet cost-effective solutions, Sri Trinetra Engineers Pvt. Ltd, is well positioned to offer a range of value engineering and design services to all clients.

We as engineers also offer technical advice in the selection of appropriate equipment to our customers. We also offer survey to recommend Fire Fighting equipment as per IS, NBC, TAC guidelines and other Local fire norms. We also offer design drawings and BOQ for new systems as per norms.

We cater the needs of the customers not only by the supplies but also for the Installation, testing & commissioning the services in the right time. We undertake Annual Maintenance Contract (AMC) for the Hydrant & Sprinkler systems and gas suppression system. Intelligent Addressable & Conventional Fire Alarm Systems, Conventional & Addressable Talk Back Systems, Fire Extinguishers etc.,

We undertake Fire NOC Consultations like Provisional certificate, Final occupancy Certificate, and Renewals. Along with the fire NOC we do, Third-party audits for fire system and in plant training on first aid Fire Fighting and live demonstration class for the workers, and office staff and objective type test also will be there after training class to know the real participation.

**Mission:**

Our mission is to be the leader in the field of MEP works such as Fire Fighting System Installations, Electrical Installations, Building Management Systems, Heating, Ventilation and Air Conditioning (HVAC), CCTV, Plumbing works on EPIC basis (Engineering, Procurement, and Installation & Commissioning)

### Company Background:

Prior to the formation of Sri Trinetra Engineers Private Limited, we were engaged in a successful partnership with M/s. Shree Chakra Engineers Private Limited from 2013 to 2020. During this 7 years of collaboration, we executed several projects, which are detailed in the attached project portfolio.

### Evolution of Sri Trinetra Engineers Private Limited:

In 2020, we decided to embark on a new journey and separated from our previous partnership with M/s. Shree Chakra Engineers Private Limited. This significant milestone led to the establishment of our independent venture, Sri Trinetra Engineers Private Limited.

With a wealth of experience and expertise gained during our partnership, we have continued to grow and provide exceptional services to our clients under the banner of Sri Trinetra Engineers Private

Limited. Our commitment to excellence and our dedication to delivering high-quality projects remain at the core of our operations.

We are proud of our journey and look forward to new opportunities, challenges, and collaborations in the future. Our team at Sri Trinetra Engineers Private Limited is excited to serve you with the same passion and commitment that has been our hallmark from the beginning."
